

PAMIDI YESASWINI

yesaswinipamidi19@gmail.com | +91-9133845039 | Guntur, Andhra Pradesh, India | [LinkedIn](#) | [GitHub](#) | [CodeChef](#)

Computer Science & Engineering undergraduate (CGPA 8.64/10) with hands-on experience in full-stack development using React.js, Node.js, Express.js, MongoDB, and MySQL. Proven ability to design and build responsive, user-centric web applications with clean UI and reliable backend integration. Currently strengthening expertise in cloud fundamentals, cybersecurity, and system administration through industry-recognized certifications, with a fast-learning, detail-oriented approach to full-stack and emerging technologies.

EDUCATION

B.Tech in Computer Science Engineering (CSE) , Vasireddy Venkatadri Institute of Technology (VVIT) CGPA: 8.64 / 10.0	2023 – Present Guntur
Intermediate , S R College Aggregate: 94%	2021 – 2023 Guntur
SSC , Oxford Public School CGPA: 10.0	2021

SKILLS

Languages — C, Java, Python
Frontend — HTML, CSS, JavaScript, React.js
Backend — Node.js, Express.js
Databases — DBMS, SQL, MongoDB
Tools & Platforms — Git, GitHub, VS Code, Linux, DSA, OOP, OS, CN
Concepts — DSA

CERTIFICATIONS

AWS Academy Graduate – Cloud Foundations <i>AWS Academy</i>	Introduction to Cybersecurity <i>Cisco</i>
CRUD Operations in MongoDB <i>MongoDB</i>	Python Programming <i>CodeChef</i>
Red Hat System Administration II (RH134 – RHA), Ver. 9.3 <i>Red Hat</i>	Google Certifications <i>Google Cloud Skills Boost</i>

PROJECTS

- MealPrepPro – Frontend Web Application**
- **Tech Stack:** HTML, CSS, JavaScript
 - Built a responsive recipe and meal-planning website with a time-based recipe generator and weekly meal planning features. Focused on clean UI design and enhanced user experience for seamless interaction.
- Smart-Agri-Assistant – Frontend Prototype**
- **Tech Stack:** HTML, CSS, JavaScript
 - Built a mobile-friendly AI-powered agricultural assistant with localized crop recommendations and disease detection insights. Implemented multilingual voice/chat support and responsive layouts to improve farmer accessibility.
- College Event System – Full Stack Web Application**
- **Tech Stack:** HTML, CSS, JS, Node.js, MySQL
 - Developed a comprehensive college event management platform enabling event creation, registration, and participation for students and admins. Implemented role-based dashboards, real-time event tracking, and QR-based ticketing for seamless event organization and user experience.

INTERNSHIP EXPERIENCE

- Full Stack Development Intern – Cognifyz Technologies: Strengthened skills in frontend and backend development through real-world project work.
- Intern – EduSkills Foundation (Cohort-12): Gained hands-on experience with industry-relevant tools, practical workflows, and structured training.
- AICTE–EduSkills Virtual Internship: Completed AICTE-recognized program focused on emerging technologies and professional skill development.

ACHIEVEMENTS & STRENGTHS

Achievements: Gold Medal for academic excellence | CGPA: 10.0 (SSC), 94% (Intermediate)
Languages: Telugu, English, Hindi | **Strengths:** Creativity, Adaptability, Problem-Solving
